MEMORANDUM FOR CHIEF, SPECIAL FUNDS

25X1A

Subject: [REDACTED]

1. Forwarded herewith is the ADSO's approval of a project concerning a research and development contract, and the original of the contract signed by the contractor and Executive for P&A as contracting officer.

2. Special security provisions are required for this contract and no copies will be distributed outside of your office, the Secret Section and General Counsel's office. The Contract Section and P&A are informed that all questions arising in connection with this company will be referred at once to the Chief, SS, or General Counsel. [REDACTED] is in charge of this matter so far as OSO is concerned.

25X1A

3. An agreement has been reached with State whereby they continue the contract in full force through June 30th and will make payments for contract expenses up to and including that day. Consequently, we will pick up the running contract effective 1 July.
